

MISSION STATEMENT

To ensure that Umnombo Integrated Solutions (Pty) Ltd continues to offer first-rate protection of property and life by implementing superior-quality fencing solutions in the public, private and corporate sectors of South Africa.

To continue to use high-quality products sourced from reputable suppliers, and technical specialists to effect the installations.

To exploit its long-standing experience in the fencing and security industries to provide effective, site-specific and cost-effective fencing solutions to each of its clients.

VISION

To be the choice provider of fencing solutions across South Africa.

To expand its client base in South Africa, and extend it to include all Southern African countries.

To maintain its B-BBEE Level 2 status, and source quality fencing products from BEE-compliant suppliers on an exclusive basis.

COMPANY BACKGROUND

Umnombo is a black-owned company which offers large and medium-scale high quality fencing solutions.

The incorporators founded Umnombo to meet the rise in demand for first-rate, cost-effective fencing solutions to safeguard life and property in South Africa.

Umnombo owes its success to its team of technical specialists, installers, experienced managers and suitably-qualified directors. Collectively, Umnombo's managers and directors have over 40 years' experience in the fencing and

security industries, which makes Umnombo a first-choice provider for fencing needs countrywide.

While Umnombo limits its scope of business to fencing solutions, it has the means to meet any security requirement related to the safeguarding of property and life, such as CCTV surveillance and guard monitoring.

With offices in all the major metropolitan areas, Umnombo's team is able to meet with clients, and install any required fencing solution, in a time- and cost-efficient manner.

COMPLIANCE

Company Registration No. 2017/049931/07

BEE Level 2

Umnombo falls under the auspices of the CIDB, ISO, PSIRA and SAIDSA; and operates in compliance with ISO 9001 2015 and ISO 14001.

LOCATION

With its head office in Johannesburg, and agents' offices located in all major metropolitan areas, Umnombo can promptly service customers across South Africa.

SCOPE OF SOLUTION

Umnombo offers innovative, site-specific and effective fencing solutions across South Africa.

In addition, Umnombo is able to source and install any security-related equipment - such as CCTV cameras, patrol monitoring devices and biometric clocking systems - that may be required.

While the success of its operation lies primarily in the technical expertise, experience and dedication of Umnombo's personnel, Umnombo's insistence on a high standard of quality when it comes to materials and products used in the installation of each of its fencing solutions, plays a pivotal role.

In this these high standards which enable Umnombo to guarantee the effectiveness of not only its workmanship but also the products and materials used – resulting from its long-standing relationships with reputable suppliers.

Umnombo prides itself on being able to provide effective fencing solutions to meet almost any site requirements. These solutions include, but are not limited to, the following installations:

- ❖ Diamond Mesh Fencing, Barbed Wire Fencing, Field Fencing, Panel System Fencing, Razor Mesh Fencing, Wire Netting, Piggyback Electric Fencing, High Security Mesh Fencing, Welded Mesh Fencing, Stock Fencing, Palisade Fencing, Game Fencing and Electrified Palisade Fencing
- ❖ Posts, Droppers, Standards & Palisade
- ❖ CCTV
- ❖ Biometric clocking systems
- ❖ Guard monitoring devices

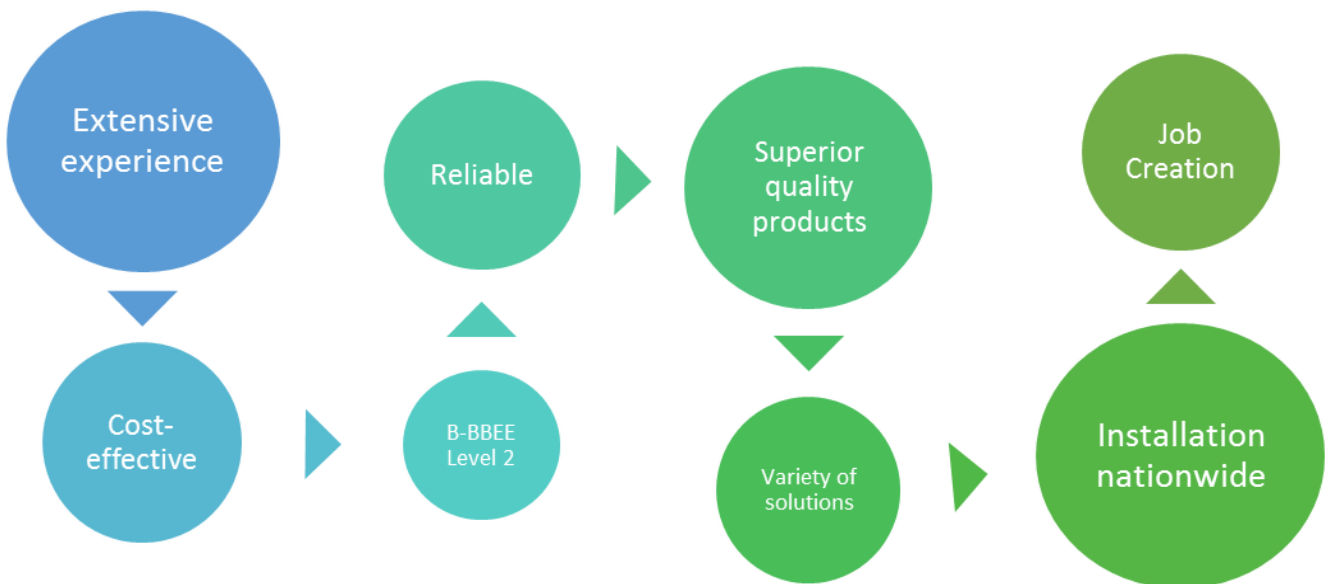

BROAD-BASED BLACK ECONOMIC EMPOWERMENT

Umnombo is a proudly South African, black-owned entity. It is the holder of a level 2 B-BBEE certificate.

From a compliance perspective, Umnombo observes and endeavours to abide by the Codes of Good Practice, issued in terms of the Broad-Based Black Economic Empowerment Act, 53 of 2003.

Otherwise, where possible, Umnombo focuses on BEE with regard to BEE procurement, skills development and social responsibility.
